HERE ARE SOME TIPS WHEN PLAYING LOTTERY GAMES

- 1 Gambling outcomes are random. Play for fun instead of for money.
- 2 Know how the games work and your odds of winning.
- 3 Sticking to a budget means having fun now and being able to play again later.
- 4 Accept losses as a cost of entertainment.
- 5 When playing games with frequent draws such as KENO, set a time limit before you start.
- 6 It's not cool to borrow money to gamble.
- 7 Don't try to win back what's been lost.
- 8 Balance playing lottery games with other types of entertainment.
